

# **Blanchelande Girls' College**

## **Appointment of Teacher of History For September 2010**

### **The College**

Blanchelande Girls' College is a Catholic independent school for boys and girls aged 3 to 7 and for girls aged 7 to 18.

There are approximately 275 students on roll, of which approximately one third are Catholic.

There is one class in each year of the Infant and Junior Colleges and two classes in each year of the Senior College. College policy is to restrict the maximum class size to 20. The Pre-School department can take up to 16 children aged 3 and over.

The new College opened in 1992 after the Sisters of Mercy had to withdraw from the original Blanchelande. It grew from only 40 students to almost 200 in the first 5 years. It is administered as a charitable trust and three Trustees manage the finances of the College. The Board of Governors act as College managers. In May 2001 the States of Guernsey agreed in principle that Blanchelande should receive funding for each senior pupil on roll, in line with the two other Colleges on the Island. Blanchelande also receives up to 6 Special Place Holders in Year 7 each year. These are Catholics who have been awarded a place through the 11+ selection system and their tuition fees are covered by the States of Guernsey.

Blanchelande is not selective and therefore our pupils' ability varies greatly. Our aim is always to develop each pupil to their full potential in line with our motto 'a family, not a factory'.

The College moved to the current Les Vauxbelets site in April 1999 after an extensive refurbishment programme. Les Vauxbelets is a beautiful estate in a rural setting with large historic buildings. The Infant Department is based in a separate building on the site which was completely renovated and refurbished for the opening in September 2004.

As an independent school we choose the National Curriculum as a framework for our teaching and learning but constantly try to offer deeper and broader access. We are always interested in new educational developments and, whenever possible, share training with other local schools.

The Catholic nature of our school is central to our success and all staff are in sympathy with the aims of a Catholic school and willing to actively support the ethos of the College.

We are fortunate that the small class sizes and supportive nature of our parents helps to create a pleasant and orderly school environment. The majority of students take 10 GCSE subjects and the average A\* to C pass rate is over 80% for the last 5 years. A level pass rates have been 100% for 3 of the last 5 years.
