SENIOR CO-CURRICULAR OPPORTUNITIES

Hilary Term 2026

Blanchelande College

Our Co-curricular Vision

Blanchelande College

Our Vision

Learning

Service

Faith

At Blanchelande, our vision for Co-Curricular Activities is rooted in joy in learning, service, and faith. We encourage students to get involved, try new things, and step beyond their comfort zone.

Through a rich variety of opportunities, students are supported to grow in confidence, discover their gifts, and share them in the service of others. From sporting events and time spent in the natural world to academic enrichment and lively clubs with friends, our programme helps students to flourish.

These experiences nurture qualities such as courage, perseverance, leadership, creativity, and a generous spirit.

Blanchelande College

Senior Co-Curricular Timetable Hilary Term 2026

News watch

Join me, Ms Fay in watching the lunchtime news together, and then take some time to talk it through. We'll discuss what's happening, share our thoughts and reactions, and reflect on the issues raised so we can better understand them from different perspectives.

1.00pm-1:45pm
Pink Cottage (Upper)
Open to yr 8 - 11

y11 Psychology Revision

1:20pm-1:50pm
Psychology Room
Open to Year 11 only

As our time for revision in class is quite limited, attending this will really support your learning. The sessions will focus on retrieval practice and will give you helpful opportunities to work through questions together as a class, with support along the way.

DofE Drop-in

1:15pm-1:45pm
Business Room
Open to Yrs 9-13

Drop in for DofE support with eDofE, sections or any DofE related questions. DofE participants must drop in once a term to touch base with the DofE team.

Girls Basketball

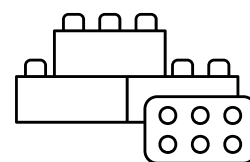

1:20pm-1:50pm
Netball Courts
Open to Year 11 only

Come along to improve your skills, play matches and possibly get to play for the school team.

Model Making

1:10pm-1:50pm
Science 1
Open to Yrs 7-13

Come and design and build creative LEGO models, developing problem-solving, teamwork, and imaginative thinking. The club encourages experimentation, resilience, and pride in bringing ideas to life through model making.

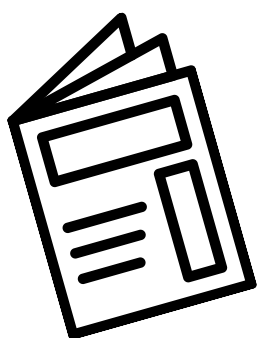

Band Mentoring

1pm-1.45pm

Lower Ground Music Room

Open to Y7-11

Come along on Mondays at 1pm to join up with other musicians to form a band. Thirst tutor Steve Le Poidevin, will help you get started and give you tips and advice to get the best sound from your band. There will also be the opportunity to enter the Thirst Music School Battle of the School Bands competition in February.

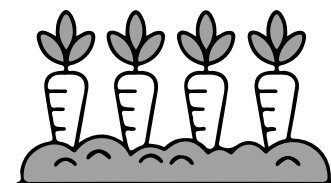

Eco Club

1:15pm-1:50pm

Eco Hut (*Computing Room if cold and wet*)

Open to Y7-11

Come and help us try to make our school more of an eco-friendly community. We hope to make a hedge veg stall and grow some things to sell in it next term.

School Zine

1:20pm-1:55 pm

Eng 1

Open to

Yr 7-13

Be part of an exciting new magazine club! We need editors (ideally from the older years), and contributors to get our new school magazine up and running!

Aviation Society

Student led club. Aviation Society puts you in the pilot's seat. Choose the activities, explore how flying really works, and build towards an exciting visit to an aero club. Learn, plan, and take off together, no experience needed, just interest.
