Blanchelande College

The beginning of an education rooted in joy

FROEBEL NURSERY

Our Nursery for 2 to 4 year olds is a warm, carefully considered place where every child is known and encouraged to grow in confidence.
Inspired by Friedrich Froebel, our approach values play and purposeful hands-on experiences. Teachers introduce new ideas, extend language and know when to step back.
Outdoors, our 50 acre site includes Les Vauxbelets valley which is an extension of the classroom and allows the children to embed their learning in nature, through awe and wonder.

INFANT SCHOOL

Our Infant School is a place of adventure, discovery and growth.
Small class sizes, outdoor learning and a rich curriculum inspire children to ask questions, develop new skills and build strong foundations for future success, all within a caring and supportive community.

1 in 4 of our Year 2 pupils and 50% of our Year 6 pupils scored in the top 10% nationally for reading - **NRGT Reading Test**

TURN ME OVER

Blanchelande College

WHAT MAKES US UNIQUE?

★ TOP 5 REASONS ★

1. **A warm and welcoming community**
   Blanchelande College feels like family - every child is known, valued, and supported to thrive.
2. **Academic excellence in small classes**
   Strong teaching, high expectations and individual support for every learner with specialist teaching in French, Music and PE.
3. **50 acres of green space**
   Room to learn, play, and breathe. A stunning estate surrounded by countryside. An opportunity for children to move their body at break, lunch and during classes.
4. **Wellbeing at the heart of school life**
   Dedicated wellbeing spaces and caring staff ensure every child feels safe and supported.
5. **A sense of belonging that lasts a lifetime**
   Blanchelande College isn't just a school, it's a community where memories and futures are made.
